

TED KIZZIAR

Compliance Specialist

Ted focuses on the National Service Criminal History Checks, or NSCHC, for Kentucky's AmeriCorps programs. His experience with national service and AmeriCorps began with two years of service as a Housing Counselor with Build Corps (now Homes for All). After a brief stint with Serve Kentucky in late 2014, he joined the Service Fellow program in 2016. Ted joined the Serve Kentucky staff in 2021. Although NSCHC compliance monitoring, policy and procedure development, and training are still his primary focus, Ted is dedicated to improving the capacity and functionality of the State Service Commission to address the needs of vulnerable populations across the State of Kentucky.
